## CONTENT STRATEGY FOR THE WEB EBOOKS 2019

Author: Kristina Halvorson

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

This is the eBook version of the printed book. If the print book includes a CD-ROM, this content is not included within the eBook version. If your website content is out of date, off-brand, and out of control, you're missing a huge opportunity to engage, convert, and retain customers online. Redesigning your home page won't help. Investing in a new content management system won't fix it, either. So, where do you start? Without meaningful content, your website isn't worth much to your key audiences. But creating (and caring for) "meaningful" content is far more complicated than we're often willing to acknowledge. Content Strategy for the Web explains how to create and deliver useful, usable content for your online audiences, when and where they need it most. It also shares content best practices so you can get your next website redesign right, on time and on budget. For the first time, you'll see content strategy (and its business value) explained in plain language. Find out why so many web projects implode in the content development phase ... and how to avoid the associated, unnecessary costs and delays. Learn how to audit and analyze your content. Make smarter, achievable decisions about which content to create and how. Find out how to maintain consistent, accurate, compelling content over time. Get solid, practical advice on staffing for content-related roles and responsibilities.

The big ebook you want to read is Content Strategy For The Web Ebooks 2019. You can Free download it to your computer in simple steps. GLOBALSTUDY.COM in easy step and you can FREE Download it now.
