For too long religion has enjoyed the benefit of the doubt, taking all the benefit and allowing none of the doubt. With the rise of Islam and political correctness, the threat it now poses to our basic freedoms is beyond a joke.

Award-winning comedian Pat Condell gets serious and gives religion the kicking it deserves in his popular and controversial video monologues, sixty of which are collected here for the first time, including Welcome to Saudi Britain, Free Speech Is Sacred and Wake Up, America.
